City of Hesperia

Hesperia, CA 92345

Dear Mr. Johnson:

We are pleased to notify you that your 2016 fiscal year end comprehensive annual financial report (CAFR) qualifies for GFOA's Certificate of Achievement for Excellence in Financial Reporting. The Certificate of Achievement is the highest form of recognition in governmental accounting and financial reporting, and its attainment represents a significant accomplishment. Congratulations for having satisfied the high standards of the program. We hope that your example will encourage others in their efforts to achieve and maintain an appropriate standard of excellence in financial reporting.

A "Summary of Grading" form and a confidential list of comments and suggestions for possible improvements are enclosed. It is strongly encouraged the recommended improvements be implemented into the next report and the report be submitted to the program within six months of your next fiscal year end. Certificate of Achievement Program policy requires that written responses to the comments and suggestions for improvement accompany the next fiscal year's submission. The written responses should provide details about how each item is addressed within this report. These responses will be provided to those Special Review Committee members participating in the review. If a comment is unclear or there appears to be a discrepancy, please contact the Technical Services Center at (312) 977-9700 and ask to speak with a Certificate of Achievement Program in-house reviewer.

When a Certificate of Achievement is awarded to a government, an Award of Financial Reporting Achievement (AFRA) is also presented to the individual(s) or department designated by the government as primarily responsible for its having earned the Certificate. An AFRA is enclosed for the preparer as designated on the application.

Continuing participants will find a Certificate and brass medallion enclosed with these results. First-time recipients will find a Certificate enclosed with these results and will receive a plaque in about 10 weeks. You may arrange for a formal presentation of the Certificate and Award of Financial Reporting Achievement, and we hope that appropriate publicity will be given to this notable achievement. A sample news release has been enclosed.

A current holder of a Certificate of Achievement may include a reproduction of the Certificate in its immediately subsequent CAFR. A camera-ready copy of your Certificate is enclosed for that purpose. If you reproduce your Certificate in your next report, please refer to the enclosed instructions. A Certificate of Achievement is valid for a period of one year.

A Certificate of Achievement Program application is posted on GFOA's website. This application must be completed and accompany your next submission. See sections III and IV of the application for instructions. **The entity's GFOA membership number appears on the attached comments and must be listed on the application.** Your continued interest in and support of the Certificate of Achievement Program is most appreciated. If we may be of any further assistance, please contact the Technical Services Center at (312) 977-9700.

Sincerely,

The Certificate of Achievement Program Special Review Committee (SRC) has completed its review of your comprehensive annual financial report (CAFR). Listed below are the grading categories used and a summary of the SRC's evaluation of your CAFR. The detailed comments and suggestions for reporting improvements on the attached listing are grouped under similar grading categories. Any category which received a grade of "Needs Significant Improvement" indicates an area of particular concern to the SRC and the related comments and suggestions for improvement in this category should be given special attention. An indication is provided on the list by the specific comments(s) or category(ies) that were the cause of receiving this grade. For each item, the notation also states whether it is 1) the basis or part of the basis for the CAFR not receiving the Certificate of Achievement, 2) a serious deficiency which will almost certainly preclude the awarding of the Certificate of Achievement if it is not corrected in your next CAFR, or 3) a deficiency, that if not corrected in future CAFRs, could result in the Certificate of Achievement not being awarded.
