Promotional/ Competitive Opportunity

Information Systems Manager
(\$8755 - \$10672 per month)

FINAL FILING DATE: WEDNESDAY APRIL 20, 2022 AT 5:30 P.M.

INTERVIEW DATE: THURSDAY, APRIL 21, 2022
(Human Resources will provide each employee with an interview time)

Duties: The IT Manager will oversee the infrastructure of all city technical operations including IT Projects, System Implementation and GIS Services. Will be responsible for developing and leading the IT strategies and solutions that align with the strategic plan of the city, including leading, directing and managing a technology team. In addition, the IT Manager is responsible for ensuring IT and GIS Services is in compliance with regulatory practices, eliminating security risks and increasing customer satisfaction. Excellent communication and interpersonal skills are required, in addition to the ability to identify and propose new standards, programs and policies for the IT and GIS Division.

Typical duties include:

- Developing and overseeing the City's long-range technology function and evaluating it according to multiteam goals
- Creating and executing new technology strategies
- Managing IT and GIS staff
- Directing the effective delivery of networks, development, and disaster recovery systems and processes

Qualifications: Any combination of education and experience that has provided the knowledge, skills and abilities necessary for an Information Systems Manager. A typical way of obtaining the required qualifications is to possess five (5) years of increasingly responsible experience with relevant information systems and/or working with servers, various client devices, complex applications, telephone systems and network administration; possess the equivalent of two (2) years supervisory experience coordinating the activities of information systems staff; must be able to demonstrate three (3) years performing project management; a Bachelor's degree from an accredited college or university with major coursework in computer science, information systems or a related field; and a High School diploma or GED.

Please visit the Employment page at <http://www.cityofhesperia.us/660/Job-Classifications> to view full job description and expanded list of qualifications.

Fringe Benefits:

- Administrative Leave 65 hours per fiscal year
- 401 (a) Deferred Compensation Plan (3% of salary – City paid)

Please review the Non-Represented Compensation Plan for the full list of benefits.

To Apply: To be considered for City employment, interested applicants are required to submit a City application, cover letter and resume. Applications must be submitted using the online employment application system. This application can be accessed from the City's website at www.cityofhesperia.us.
