

How to file a complaint

Complaints may be filed with the Code Enforcement Division in person, by mail, telephone, or e mail.

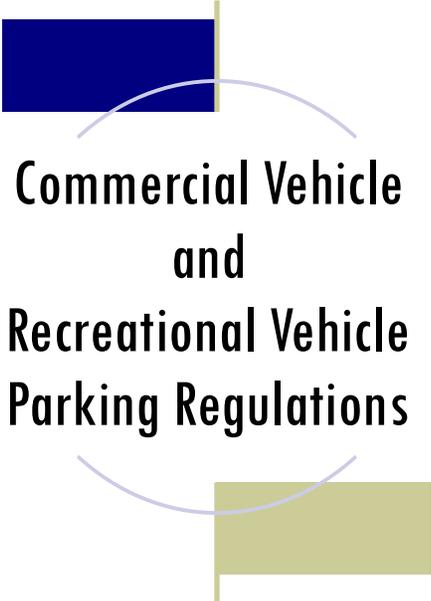

1. Give your name, address and telephone number, so we can contact you if we need additional information. All information is kept confidential.
2. Give the location of the problem and the address, including street name, number and cross street.
3. Identify the specific complaint or nuisance including description, type of problem and vehicle license number if applicable.

Your complaint will be assigned to the area officer and will be addressed as soon as possible. The area officer will inspect the location and if a violation is observed, the property owner / tenant will be given written notification to correct the violation within a specified time period. If the violation is not corrected, the property owner / tenant may be subject to citation, fees, fines, and/or abatement.

Commercial Vehicle Parking Regulations

The following regulations and standards apply to commercial vehicles in residential and agricultural areas.

A commercial vehicle is defined as any vehicle having a manufacturer's Gross Vehicle Weight Rating (GVWR) of twenty-six thousand (26,000) pounds. A truck shall be considered to be one (1) truck or tractor and up to two (2) trailers. (Note: a set of double trailers is considered as one trailer).

- Commercial vehicles cannot be left to idle longer than five (5) minutes.
- Commercial vehicle air horns are not be used when parked in a residential area.
- Cargo may not be transferred from one commercial vehicle to another.
- Refrigeration units are not to be operated within three hundred (300) feet of any inhabited place.
- Commercial vehicles used for the transportation of hazardous waste, materials, or garbage, or which harbor vermin or pestilence, or which emit noxious or noisome odors, shall not be parked or stored in residential areas.
- Commercial vehicles cannot be parked or left standing on any public street, including within the public right-of-way.
- Commercial vehicles cannot be parked or left standing on any street or right-of-way unless it is a minimum of twelve feet from the center line.
- Commercial vehicles cannot be parked within 100 feet of an intersection.

Commercial Vehicle Parking on Private Property

- One commercial vehicle may be parked on the operator's lot if the lot is at least eighteen thousand (18,000) square feet in area.
- One additional commercial vehicle, up to a maximum of three (3), may be parked on the operator's lot for each additional one-half (1/2) acre.
- Commercial vehicles cannot be parked or left standing unless all parts of such vehicle are at least fifteen (15) feet from houses on adjacent properties.
- Commercial vehicles may be parked in the operator's driveway as long as it is fully on private property and does not obstruct the view on the public street.
- Commercial vehicle trailers may not be stored in the front setback.

If an exceptional circumstance exists, you may apply for a Truck Parking Permit. Approval is based on criteria set by the Hesperia Municipal Code. Applications can be obtained at the Engineering Department counter, or you may call (760) 947-1414.

Recreational Vehicle Parking Regulations

- All recreational parking and/or storage areas located within the front yard shall be surfaced with either concrete, asphalt, gravel, or crushed rock.
- Recreational vehicles cannot be stored in the public right-of-way.
